HILLARY CLINTON Well, first of all, I will not let anyone into our country that I think poses a risk to us. But there are a lot of refugees, women and children— think of that picture we all saw of that 4- year- old boy with the blood on his forehead because hed been bombed by the Russian and Syrian air forces. There are children suffering in this catastrophic war, largely, I believe, because of Russian aggression. And we need to do our part. We by no means are carrying anywhere near the load that Europe and others are. But we will have vetting that is as tough as it needs to be from our professionals, our intelligence experts and others. But it is important for us as a policy, you know, not to say, as Donald has said, were going to ban people based on a religion. How do you do that? We are a country founded on religious freedom and liberty. How do we do what he has advocated without causing great distress within our own county? Are we going to have religious tests when people fly into our country? And how do we expect to be able to implement those? So I thought that what he said was extremely unwise and even dangerous. And indeed, you can look at the propaganda on a lot of the terrorist sites, and what Donald Trump says about Muslims is used to recruit fighters, because they want to create a war between us. And the final thing I would say, this is the 10th or 12th time that hes denied being for the war in Iraq. We have it on tape. The entire press corps has looked at it. Its been debunked, but it never stops him from saying whatever he wants to say.

DONALD TRUMP Thats not been debunked.

HILLARY CLINTON So, please. . .

DONALD TRUMP That has not been debunked.

HILLARY CLINTON . . . go to HillaryClinton.com and you can see it.

DONALD TRUMP I was against— I was against the war in Iraq. Has not been debunked. And you voted for it. And you shouldnt have. Well, I just want to say. . .

MODERATOR Theres been lots of fact- checking on that. Id like to move on to an online question. . .

DONALD TRUMP Excuse me. She just went about 25 seconds over her time.

MODERATOR She did not.

DONALD TRUMP Could I just respond to this, please?

MODERATOR Very quickly, please.
