DONALD TRUMP No, its going to totally help you. And one thing we have to do; Repeal and replace the disaster known as Obamacare. Its destroying our country. Its destroying our businesses, our small business and our big businesses. We have to repeal and replace Obamacare. You take a look at the kind of numbers that that will cost us in the year 17, it is a disaster. If we dont repeal and replace— now, its probably going to die of its own weight. But Obamacare has to go. Its— the premiums are going up 60 percent, 70 percent, 80 percent. Next year theyre going to go up over 100 percent. And Im really glad that the premiums have started— at least the people see whats happening, because she wants to keep Obamacare and she wants to make it even worse, and it cant get any worse. Bad health care at the most expensive price. We have to repeal and replace Obamacare.
