HILLARY CLINTON Well, everything I did as secretary of state was in furtherance of our countrys interests and our values. The State Department has said that. I think thats been proven. But I am happy, in fact Im thrilled to talk about the Clinton Foundation, because it is a world- renowned charity and I am so proud of the work that it does. You know, I could talk for the rest of the debate— I know I dont have the time to do that. But just briefly, the Clinton Foundation made it possible for 11 million people around the world with HIV- AIDS to afford treatment, and thats about half of all the people in the world who are getting treatment. In partnership with the American Health Association. . .
