HILLARY CLINTON Well, first of all, what he just said about the State Department is not only untrue, its been debunked numerous times. But I think its really an important issue. He raised the 30 years of experience, so let me just talk briefly about that. You know, back in the 1970s, I worked for the Childrens Defense Fund. And I was taking on discrimination against African- American kids in schools. He was getting sued by the Justice Department for racial discrimination in his apartment buildings. In the 1980s, I was working to reform the schools in Arkansas. He was borrowing \$14 million from his father to start his businesses. In the 1990s, I went to Beijing and I said womens rights are human rights. He insulted a former Miss Universe, Alicia Machado, called her an eating machine.

DONALD TRUMP Give me a break.
