MODERATOR I will let you respond. Its important. But I just want to get the answer here. The birth certificate was produced in 2011. Youve continued to tell the story and question the presidents legitimacy in 2012, 13, 14, 15...

DONALD TRUMP Yeah.

MODERATOR ... as recently as January. So the question is, what changed your mind?

DONALD TRUMP Well, nobody was pressing it, nobody was caring much about it. I figured youd ask the question tonight, of course. But nobody was caring much about it. But I was the one that got him to produce the birth certificate. And I think I did a good job. Secretary Clinton also fought it. I mean, you know— now, everybody in mainstream is going to say, oh, thats not true. Look, its true. Sidney Blumenthal sent a reporter— you just have to take a look at CNN, the last week, the interview with your former campaign manager. And she was involved. But just like she cant bring back jobs, she cant produce.
