GEORGE W. BUSH You may not be one of them, youre just not one of the right people. And secondly, weve had enough fighting. Its time to unite. You talk about eight years? In eight years they havent gotten anything done on Medicare, on Social Security, a patients bill of rights. Its time to get something done.

AL GORE Hey, Ive got to answer that, Jim.

MODERATOR All right.

AL GORE Medicare — I cast the tie- breaking vote to add 26 years to the life of Medicare. It was due to go bankrupt in 1999 and that 50 million figure again, the newspapers — I said — you said forget the journalists, but they are the keepers of the score card and whether or not youre using facts that arent right. And that fact is just not right.
