BOB DOLE Well, Im really encouraged to know of your renewed friendship with Al DAmato, and I know he appreciates it. You didnt even have tax cuts in your budget, Mr. President, the first two years you were president. It wasnt until we had a Republican Congress you even thought about, you talked about tax cuts. Getting back to personal differences, I think, Jim, if you are a little more specific, but I think the President could clarify one thing tonight and thats the question of pardons. I know you talked about it on the Jim, with Jim Lehrer on the PBS show. And Ive never discussed Whitewater, as Ive told you personally. Im not discussing Whitewater now. But I am discussing the power the President has to grant pardons. And hopefully in the next segment you could lay that to rest.

MODERATOR Mr. President.
