DONALD TRUMP Let me tell you, Mosul is so sad. We had Mosul. But when she left, when she took everybody out, we lost Mosul. Now were fighting again to get Mosul. The problem with Mosul and what they wanted to do is they wanted to get the leaders of ISIS who they felt were in Mosul. About three months ago, I started reading that they want to get the leaders and theyre going to attack Mosul. Whatever happened to the element of surprise, ok? We announce were going after Mosul. I have been reading about going after Mosul now for about— how long is it, Hillary, three months? These people have all left. Theyve all left. The element of surprise. Douglas MacArthur, George Patton spinning in their graves when they see the stupidity of our country. So were now fighting for Mosul, that we had. All she had to do was stay there, and now were going in to get it. But you know who the big winner in Mosul is going to be after we eventually get it? And the only reason they did it is because shes running for the office of president and they want to look tough. They want to look good. He violated the red line in the sand, and he made so many mistakes, made all mistakes. Thats why we have the great migration. But she wanted to look good for the election. So theyre going in. But whos going to get Mosul, really? Well take Mosul eventually. But the way— if you look at whats happening, much tougher than they thought. Much, much tougher. Much more dangerous. Going to be more deaths than they thought. But the leaders that we wanted to get are all gone because theyre smart. They say, what do we need this for? So Mosul is going to be a wonderful thing. And Iran should write us a letter of thank you, just like the really stupid— the stupidest deal of all time, a deal thats going to give Iran absolutely nuclear weapons. Iran should write us yet another letter saying thank you very much, because Iran, as I said many years ago, Iran is taking over Iraq, something theyve wanted to do forever, but weve made it so easy for them. So were now going to take Mosul. And you know whos going to be the beneficiary? Iran. Oh, yeah, theyre making— I mean, they are outsmarting— look, youre not there, you might be involved in that decision. But you were there when you took everybody out of Mosul and out of Iraq. You shouldnt have been in Iraq, but you did vote for it. You shouldnt have been in Iraq, but once you were in Iraq, you should have never left the way.

MODERATOR Sir, your two minutes are up.

DONALD TRUMP The point is, the big winner is going to be Iran.

HILLARY CLINTON Well, you know, once again, Donald is implying that he didnt support the invasion of Iraq. I said it was a mistake. Ive said that years ago. He has consistently denied what is...

DONALD TRUMP Wrong.

HILLARY CLINTON ... a very clear fact that...

DONALD TRUMP Wrong.

HILLARY CLINTON ... before the invasion, he supported it. And, you know, I just want everybody to go Google it. Google “Donald Trump Iraq.” And you will see the dozens of sources which verify that he was for the invasion of Iraq.

DONALD TRUMP Wrong.

HILLARY CLINTON And you can actually hear the audio of him saying that. Now, why does that matter? Well, it matters because he has not told the truth about that position. I guess he believes it makes him look better now to contrast with me because I did vote for it. But what's really important here is to understand all the interplay. Mosul is a Sunni city. Mosul is on the border of Syria. And, yes, we do need to go after Baghdadi, and—just like we went after bin Laden, while you were doing “Celebrity Apprentice,” and we brought him to justice. We need to go after the leadership. But we need to get rid of them, get rid of their fighters. There are an estimated several thousand fighters in Mosul. They've been digging underground. They've been prepared to defend. It's going to be tough fighting. But I think we can take back Mosul, and then we can move on into Syria and take back Raqqa. This is what we have to do. I'm just amazed that he seems to think that the Iraqi government and our allies and everybody else launched the attack on Mosul to help me in this election, but that's how Donald thinks. You know, he always is looking for some conspiracy.

DONALD TRUMP Chris, we don't gain anything.

HILLARY CLINTON He has all the conspiracy theories... [crosstalk]

DONALD TRUMP Iran is taking over Iraq.

MODERATOR Secretary Clinton, its... [crosstalk]

DONALD TRUMP Iran is taking over Iraq. We don't gain anything.

HILLARY CLINTON This conspiracy theory, which he's been spewing out for quite some time.

DONALD TRUMP We would've gained if they did it by surprise... [crosstalk]

MODERATOR Wait, wait, wait, Secretary Clinton, its an open discussion.

HILLARY CLINTON He says... [crosstalk]

DONALD TRUMP We would have gained if they did it by surprise.

MODERATOR Secretary, please let Mr. Trump speak.

HILLARY CLINTON ... unfit, and he proves it every time he talks.
