MODERATOR Your five seconds went away a long time ago. All right, Governor. Governor, tell — tell the president directly why you think what he just said is wrong about Obamacare?

MITT ROMNEY Well, I did with my first statement. (CROSSTALK)First of all, I like the way we did it in Massachusetts. I like the fact that in my state, we had Republicans and Democrats come together and work together. What you did instead was to push through a plan without a single Republican vote. As a matter of fact, when Massachusetts did something quite extraordinary — elected a Republican senator to stop Obamacare, you pushed it through anyway. So entirely on a partisan basis, instead of bringing America together and having a discussion on this important topic, you pushed through something that you and Nancy Pelosi and Harry Reid thought was the best answer and drove it through. What we did in a legislature 87 percent Democrat, we worked together; 200 legislators in my legislature, only two voted against the plan by the time we were finished. What were some differences? We didnt raise taxes. Youve raised them by \$1 trillion under Obamacare. We didnt cut Medicare. Of course, we dont have Medicare, but we didnt cut Medicare by \$716 billion.
