HILLARY CLINTON And maybe because you havent paid any federal income tax for a lot of years. [applause] And the other thing I think is important...

DONALD TRUMP It would be squandered, too, believe me.

HILLARY CLINTON ... is if your— if your main claim to be president of the United States is your business, then I think we should talk about that. You know, your campaign manager said that you built a lot of businesses on the backs of little guys. And, indeed, I have met a lot of the people who were stiffed by you and your businesses, Donald. Ive met dishwashers, painters, architects, glass installers, marble installers, drapery installers, like my dad was, who you refused to pay when they finished the work that you asked them to do. We have an architect in the audience who designed one of your clubhouses at one of your golf courses. Its a beautiful facility. It immediately was put to use. And you wouldnt pay what the man needed to be paid, what he was charging you to do...

DONALD TRUMP Maybe he didnt do a good job and I was unsatisfied with his work...

HILLARY CLINTON Well, to...

DONALD TRUMP Which our country should do, too.

HILLARY CLINTON Do the thousands of people that you have stiffed over the course of your business not deserve some kind of apology from someone who has taken their labor, taken the goods that they produced, and then refused to pay them? I can only say that Im certainly relieved that my late father never did business with you. He provided a good middle- class life for us, but the people he worked for, he expected the bargain to be kept on both sides. And when we talk about your business, youve taken business bankruptcy six times. There are a lot of great businesspeople that have never taken bankruptcy once. You call yourself the King of Debt. You talk about leverage. You even at one time suggested that you would try to negotiate down the national debt of the United States.

DONALD TRUMP Wrong. Wrong.

HILLARY CLINTON Well, sometimes theres not a direct transfer of skills from business to government, but sometimes what happened in business would be really bad for government.

MODERATOR Lets let Mr. Trump...

HILLARY CLINTON And we need to be very clear about that.
