HILLARY CLINTON ... as he has campaigned for me around the country, you are the most dangerous person to run for president in the modern history of America. I think hes right.

MODERATOR Lets turn to Aleppo. Mr. Trump, in the last debate, you were both asked about the situation in the Syrian city of Aleppo. And I want to follow up on that, because you said several things in that debate which were not true, sir. You said that Aleppo has basically fallen. In fact, there— in fact, there are...

DONALD TRUMP Its a catastrophe. I mean...

MODERATOR Its a catastrophe, but there...

DONALD TRUMP ... its a mess.

MODERATOR There are a quarter of...

DONALD TRUMP Have you seen it? Have you seen it?

MODERATOR Sir...

DONALD TRUMP Have you seen whats happened to Aleppo?

MODERATOR Sir, if I may finish my question...

DONALD TRUMP ok, so it hasnt fallen. Take a look at it.

MODERATOR Well, there are a quarter of a million people still living there and being slaughtered.

DONALD TRUMP Thats right. And they are being slaughtered...

MODERATOR Yes.

DONALD TRUMP ... because of bad decisions.

MODERATOR If I may just finish here, and you also said that— that Syria and Russia are busy fighting ISIS. In fact, they have been the ones whove been bombing and shelling eastern Aleppo, and they just announced a humanitarian pause, in effect, admitting that they have been bombing and shelling Aleppo. Would you like to clear that up, sir?
