---

GEORGE H. W. BUSH Most people that are lobbying are lobbying the Congress. And I dont think theres anything wrong with an honest person who happens to represent an interest of another country for making his case. Thats the American way. And what youre assuming is that that makes the recipient of the lobbying corrupt or the lobbyist himself corrupt. I dont agree with that. But if I found somebody that had a conflict of interest that would try to illegally do something as a foreign — registered lobby, the laws cover this. I dont know why — Ive never understood quite why Mr. Perot was so upset it, because one of the guys he used to have working for him, I believe, had foreign accounts. Could be wrong, but I think so.

ROSS PEROT And as soon as I found it out, he went out the door. (Laughter)

GEORGE H. W. BUSH Well — (APPLAUSE) But I dont — I think you got to look at the integrity and the honor of the people that are being lobbied and those that are lobbyists. The laws protect the American taxpayer in this regard. If the laws are violated so much, but to suggest if somebody represents a foreign country on anything, that makes him corrupt or against the taxpayer, I dont agree with that.
