---

JOHN MCCAIN ok. But its very clear that I have disagreed with the Bush administration. I have disagreed with leaders of my own party. Ive got the scars to prove it. Whether it be bringing climate change to the floor of the Senate for the first time. Whether it be opposition to spending and earmarks, whether it be the issue of torture, whether it be the conduct of the war in Iraq, which I vigorously opposed. Whether it be on fighting the pharmaceutical companies on Medicare prescription drugs, importation. Whether it be fighting for an HMO patients bill of rights. Whether it be the establishment of the 9/11 Commission. I have a long record of reform and fighting through on the floor of the United States Senate.

MODERATOR All right.

JOHN MCCAIN Senator Obama, your argument for standing up to the leadership of your party isnt very convincing.
