BUSH: I heard Gov Clinton congratulate us on 1 thing – first time he said something pleasant about this administration. Productivity in this country is up, it is way up – productivity is up. And that's a good thing. There are many good ones, but I was glad he acknowledged that. Thank you.

LEHRER: Now we're going to move to the 2nd half

PEROT: Now give me 1 second

LEHRER: We're going to move to the
