

Text 2

VANOCUR: Well, he served with him 2 years later, in 1967, where I first met him. The 2nd point, though, is that it is now skyrocketing out of control. People want it. We say it's going bonkers. Is not the Oregon plan applied to Medicaid rationing the proper way to go even though the federal government last August ruled that it violated the Americans with Disabilities Act of 1990?
