HILLARY CLINTON Well, I think youve just seen another example of bait- and- switch here. For 40 years, everyone running for president has released their tax returns. You can go and see nearly, I think, 39, 40 years of our tax returns, but everyone has done it. We know the IRS has made clear there is no prohibition on releasing it when youre under audit. So youve got to ask yourself, why wont he release his tax returns? And I think there may be a couple of reasons. First, maybe hes not as rich as he says he is. Second, maybe hes not as charitable as he claims to be. Third, we dont know all of his business dealings, but we have been told through investigative reporting that he owes about \$650 million to Wall Street and foreign banks. Or maybe he doesnt want the American people, all of you watching tonight, to know that hes paid nothing in federal taxes, because the only years that anybodys ever seen were a couple of years when he had to turn them over to state authorities when he was trying to get a casino license, and they showed he didnt pay any federal income tax.

DONALD TRUMP That makes me smart.

HILLARY CLINTON So if hes paid zero, that means zero for troops, zero for vets, zero for schools or health. And I think probably hes not all that enthusiastic about having the rest of our country see what the real reasons are, because it must be something really important, even terrible, that hes trying to hide. And the financial disclosure statements, they dont give you the tax rate. They dont give you all the details that tax returns would. And it just seems to me that this is something that the American people deserve to see. And I have no reason to believe that hes ever going to release his tax returns, because theres something hes hiding. And well guess. Well keep guessing at what it might be that hes hiding. But I think the question is, were he ever to get near the White House, what would be those conflicts? Who does he owe money to? Well, he owes you the answers to that, and he should provide them.
