JOHN MCCAIN Its well- known that I have not been elected Miss Congeniality in the United States Senate nor with the administration. I have opposed the president on spending, on climate change, on torture of prisoner, on – on Guantanamo Bay. On a — on the way that the Iraq War was conducted. I have a long record and the American people know me very well and that is independent and a maverick of the Senate and Im happy to say that Ive got a partner thats a good maverick along with me now.
