DONALD TRUMP You were in total contact with the White House, and perhaps, sadly, Obama probably still listened to you. I dont think he would be listening to you very much anymore. Obama draws the line in the sand. It was laughed at all over the world what happened. Now, with that being said, she talks tough against Russia. But our nuclear program has fallen way behind, and theyve gone wild with their nuclear program. Not good. Our government shouldnt have allowed that to happen. Russia is new in terms of nuclear. We are old. Were tired. Were exhausted in terms of nuclear. A very bad thing. Now, she talks tough, she talks really tough against Putin and against Assad. She talks in favor of the rebels. She doesnt even know who the rebels are. You know, every time we take rebels, whether its in Iraq or anywhere else, were arming people. And you know what happens? They end up being worse than the people. Look at what she did in Libya with Gadhafi. Gadhafis out. Its a mess. And, by the way, ISIS has a good chunk of their oil. Im sure you probably have heard that. It was a disaster. Because the fact is, almost everything shes done in foreign policy has been a mistake and its been a disaster. But if you look at Russia, just take a look at Russia, and look at what they did this week, where I agree, she wasnt there, but possibly shes consulted. We sign a peace treaty. Everyones all excited. Well, what Russia did with Assad and, by the way, with Iran, who you made very powerful with the dumbest deal perhaps Ive ever seen in the history of deal- making, the Iran deal, with the \$150 billion, with the \$1. 7 billion in cash, which is enough cash to fill up this room. But look at that deal. Iran now and Russia are now against us. So she wants to fight. She wants to fight for rebels. Theres only one problem. You dont even know who the rebels are. So whats the purpose?

MODERATOR Mr. Trump, Mr. Trump, your two minutes is up.

DONALD TRUMP And one thing I have to say.

MODERATOR Your two minutes is up.

DONALD TRUMP I dont like Assad at all, but Assad is killing ISIS. Russia is killing ISIS. And Iran is killing ISIS. And those three have now lined up because of our weak foreign policy.
