BILL CLINTON Wait a minute. I want to say just one thing now, Ross, in fairness. The ideas I express are mine. Ive worked on these things for 12 years and Im the only person up here who hasnt been part of Washington in any way for the last 20 years. So I dont want the implication to be that somehow everything we say is just cooked up and put in our head by somebody else. I worked 12 years very hard as a governor on the real problems of real people. Im just as sick as you are by having to wake up and figure out how to defend myself every day. I never thought Id ever be involved in anything like this.

ROSS PEROT May I finish?

MODERATOR Yes, you may finish.

ROSS PEROT Very briefly?

MODERATOR Yes, very briefly.

ROSS PEROT And I dont have any foreign money in my campaign. I dont have any foreign lobbyists on leave in my campaign. I dont have any PAC money in my campaign. Ive got 5.5 million hard- working people who put me on the ballot, and I belong to them. And theyre interested in what youre interested in. I take the pledge. Ive already taken the pledge on cutting the deficit in half. I never got to say that. Theres a great young group, Lead or Leave, college students, young people, who dont want us to spend their money. I took the pledge wed cut it out.

MODERATOR Thank you. We have a question here. AUDIENCE
