DONALD TRUMP Well, Aleppo is a disaster. Its a humanitarian nightmare. But it has fallen from the— from any standpoint. I mean, what do you need, a signed document? Take a look at Aleppo. It is so sad when you see whats happened. And a lot of this is because of Hillary Clinton, because whats happened is, by fighting Assad, who turned out to be a lot tougher than she thought, and now shes going to say, oh, he loves Assad, shes— hes just much tougher and much smarter than her and Obama. And everyone thought he was gone two years ago, three years ago. He— he aligned with Russia. He now also aligned with Iran, who we made very powerful. We gave them $150 billion back. We give them $1. 7 billion in cash. I mean, cash. Bundles of cash as big as this stage. We gave them $1. 7 billion. Now they have— he has aligned with Russia and with Iran. They dont want ISIS, but they have other things, because were backing— were backing rebels. We dont know who the rebels are. Were giving them lots of money, lots of everything. We dont know who the rebels are. And when and if— and its not going to happen, because you have Russia and you have Iran now. But if they ever did overthrow Assad, you might end up with— as bad as Assad is, and hes a bad guy, but you may very well end up with worse than Assad. If she did nothing, wed be in much better shape. And this is whats caused the great migration, where shes taking in tens of thousands of Syrian refugees, who probably in many cases— not probably, who are definitely. . .

MODERATOR Let me. . .

DONALD TRUMP . . . in many cases, ISIS- aligned, and we now have them in our country, and wait until you see— this is going to be the great Trojan horse. And wait until you see what happens in the coming years. Lots of luck, Hillary. Thanks a lot for doing a great job.
